Book Description: 5 Centimeters per Second When Takaki meets Akari in elementary school, they are as thick as thieves. She always teaches him the important things, while he does his best to protect her. After they are separated in middle school, though, they have to find their paths in life without each other...

Director Makoto Shinkai delicately depicts the internal landscapes of his characters through three chapters in the life of one boy.

Children Who Chase Lost Voices Asuna is a shy and diffident girl who lives in the mountain town of Mizunofuchi. One day, she meets Shun, a boy who claims to be from a mythical land known as Agartha. However, just as a bond is beginning to form between them, Shun vanishes. As Asuna wishes she could see him again, she encounters Shin, another boy who looks just like Shun, and Morisaki, a teacher searching for Agartha. The three of them set out for the legendary country, each with their own goal in mind—and their own lessons to learn along the way.

Book Description: Jinwoo continues to progress rapidly through the Demon's 6 Castle, climbing toward the top floor with the help of a demon noble who has agreed to escort the intruder if it means not having to fight him herself! Preoccupied with his personal quest, Jinwoo is unaware of the escalating threat outside the dungeon. The ant magic beasts that laid waste to Jeju Island are looking to relocate, and if they reach the mainland, all of Korea could fall. Will the combined S-ranks of Japan and Korea be enough to quell the swarm—and will Jinwoo be joining them?!

Book Description: "MAY ALL THAT YOU WISH TO PROTECT BURN TO ASHES..."

Having witnessed the staggering power of the Shadow Monarch, Jinwoo can't wait to level up and reach those heights, and what better way to do so than to mobilize his army of soldiers against an S-rank dungeon's worth of giants? Saving a country abandoned by the rest of the world has its benefits—international renown, the expansion of his guild, an invitation to the most prestigious hunter conference in the world—but perhaps the most unexpected bonus is a run-in with another Monarch who brings not-so-welcome tidings. If he's to be believed, a war is coming that not even Jinwoo is strong enough to stop...

Everything in his life is going just as he's planned...until one day, he's paired up with the agency's newest hire: a suspicious, eccentric, suicide-obsessed man named Osamu Dazai. Their first case together turns out to be far more complicated than Kunikida anticipated-and it looks like the detective agency's sworn enemy, the Port Mafia, is somehow involved, too!

The Republic of San Magnolia has long been under attack from the neighboring Giadian Empire's army of unmanned drones known as the Legion. After years of painstaking research, the Republic finally developed autonomous drones of their own, turning the one-sided struggle into a war without casualties-or at least, that's what the government claims.

Book Description: Pride is all we have

The attack Shin foresaw has finally come to pass. Wielding a weapon with destructive force hitherto unseen, the Long-Range Artillery-type Legion unit rains unmitigated chaos over the battlefield. Both the Federacy's western front and the Gran Mur of the Republic crumble under the might of the monolithic railgun, capable of dealing catastrophic damage from hundreds of kilometers away. With their backs against the wall, the Gadian military makes a controversial decision: A special strike force will charge into the heart of Legion territory, engage the Railgun type from close range, and destroy it. Shin and the Eighty-Six will spearhead the operation.

...But Shin has not been himself lately. Having defeated his brother's ghost and freed himself from the Republic, the Reaper finds himself without purpose. What reason does he have to go on living? For whose sake does he fight...?

Book Description: Old Friends, New Enemies

Against all odds, Shin and the Eighty-Six have emerged victorious from their battle with the Morpho, liberating scores of surviving Republic citizens from the Legion's dark agenda. Lena, in turn, has fulfilled her promise and finally caught up to the Spearhead squadron. And while her presence has brought out a softer side in Shin, it seems to have roused the competitive spirits within Kurena and Frederica. But the fun comes to an end when the Eighty-Six Strike Package, with Lena at the helm, receives its first mission. Their destination: an abandoned subway tunnel in the Republic's northern secondary capital, Charité. Deep underground, the gaping maw of a subterranean Legion base awaits them...

Book Description: WE ARE NOT THE SAME.

Live to fight. Die with honor. That was all the Eighty-Six knew, and they were proud. However, seeing themselves reflected in the Sirins-slaughtered by the thousands, with nothing to show for it—a crack has formed in their ironclad resolve. Shin's mind festers with doubt. At the same time, Lena's heart tears at the seams as she struggles to understand him. Will the two find common ground over the course of the United Kingdom operation? Or will they only drift further apart...?

Book Description: LIKE LOOKING IN A MIRROR...

For better or worse, the battle with the Noctiluca has drawn to a close...for now. The Eighty-Six's minds are heavy with thoughts of close friends and bitter enemies swallowed by the cold, dark abyss. Among the casualties are Shana, Shiden's vice captain, joining the fallen in their watery grave, and Theo, whose loss of his left hand had all but sealed his fate as a Processor. As Shiden swears revenge, Kurena, who blames herself for Shana's death, cracks beneath the weight of her guilt. While the Eighty-Six struggle to pick up the pieces, though, the Legion inexorably pursue their bloodless objective, and the Noctiluca has reportedly taken refuge in the surviving Holy Theocracy of Noiryannaruse. Now Shin and company must set foot in the mysterious western nation of which even the United Kingdom and the Federacy are wary...

Book Description: PRIDE BEFORE THE FALL

It happened all too quickly. A flash, a rumble, and then... silence. In an instant, an unprecedented Legion assault wrought untold destruction upon nations across the world. As humanity's borders are sent into swift decline, Shin and Lena are tasked with a large-scale rescue operation that brings them back to Republic soil after what seems like a lifetime. Yet even with humanity on the brink of extinction, they find a country that hasn't changed—one that cannot change. Many survivors view rescue by the Eighty-Six as the height of indignity. Similarly, many Eighty-Six are reluctant to lend aid to those who stripped away their humanity. But behind the cavernous, silver eyes of the mechanical ghosts lays a single, gruesome directive...

Book Description: Out of sight, out of mind!

Bunny girls do not live in libraries. This is simply common sense. And yet, that's exactly where Sakuta finds one in the wild. More bewildering is who the bunny girl is: Mai Sakurajima, a girl one year older than Sakuta, famous at their school for her acting career even though she's currently on break. To top it all off, it seems like no one else in the library can see Mai at all, no matter what she does or...wears. Wanting to find out more about this mystery and maybe get a little closer to this beautiful upperclassman in the process, Sakuta launches an investigation to discover why an unforgettable bunny girl keeps becoming totally invisible.

Book Description: I, Yuki, have no intention of admitting it. Never. The last thing I will ever do is plead guilty to the crime of maybe possibly having a soft spot for my cheeky playboy of an underclassman—who's an absolute brat—Naruse. Speaking of which, instead of focusing on his strange grade school rivalry with this Shizuka guy, he needs to get his head in the game and focus on our qualifiers...!! Maybe I was expecting too much from him, after all...

Book Description: Well, one of my problems has been solved, at least. The Naruse-leaving- the-team-to-practice-alone- because-he-didn't-want-to-look-lame one. But that was so much easier to deal with than the Naruse-wants-me-to-say-I-like-him or the Naruse-wants-me-to-be-his-girlfriend problem. And now we're adding the Naruse-jealousy drama and the Hakamada-kun-not minding-his-own-business mess into the mix too?! Gimme a break already...

Huh?! Who's dating whom now? I said I'd think about it. And how exactly does he go from "I'll come watch your games" to "I'll be your girlfriend"? Stupid jerk even told the entire basketball team that he's going out with a third-year. After being summoned to the palace by Noah's half brother, King Siathrich, she's forced to stay there—and to confront the future of her relationship with Noah. Considering the kiss he planted on her while she was sick, it's obvious there are feelings involved, but the ever-present weight of Beatrice's existence complicates things. Still, Raeliana doesn't intend to sit around waiting for her Duke Charming Noah to come save her, and she's got a plan...Little does she know, the universe has something else in store!
